CHOCO BREAK

Crafers

RU.

CRAFERS это современная высокотехнологичная фабрика мирового уровня, которая занимается производством шоколадных, мучных и сахаристых кондитерских изделий. При ее изготовлении используются только натуральные качественные ингредиенты и проверенные технологии. На сегодня, ассортимент насчитывает более 120 позиций и имеет производственную мощность более 46 000 тонн продукции в год. CRAFERS предлагает потребителям разнообразные виды продукции – печенье, вафли, мармелад, маршмеллоу, карамель и другие виды конфет и, конечно изделия из шоколада, в том числе плитки молочного, черного шоколада.

Кондитерская фабрика оснащена современным оборудованием от ведущих европейских производителей, таких как Hebenstreit (Германия) – производство различных вафельных изделий, TFT (Голландия) – производство аэрированных продуктов, Winkler und Dünnebier Suesswarenmaschinen GmbH (Германия) – производство шоколадных изделий, Sollich (Германия) – производство грильяжных продуктов, Chocotech (Германия) – производство шоколадных конфет “FROZENSHELL”, Hansel Processing (Германия) – производство поточной карамели с начинкой и без начинки, Aasted (Дания) – производство экструзионных сложных конфет, Buhler (Швейцария) – приготовление шоколадных масс по швейцарским технологиям, HAAS (Австрия) – производство вафельных крекеров, Polin (Италия) – производство отсадного печенья, Polin (Италия) – производство сахарного печенья.

EN.

CRAFERS is a modern high-tech world-class factory that produces chocolate, flour-based and sugar confectionery products. In its manufacture, only natural, high-quality ingredients and proven technologies areused. Today, the product range includes more than 120 items and has a production capacity of more than 46,000 tons of products per year. CRAFERS offers consumers a variety of products – cookies, waffles, jelly candies, marshmallows, caramel and other confectionery products and, of course, chocolate products, including milk and dark chocolate bars.

The confectionery factory is equipped with modern equipment from leading European manufacturers, such as Hebenstreit (Germany) – production of various wafer products, TFT (Holland) – production of aerated products, Winkler und Dünnebier Suesswarenmaschinen GmbH (Germany) – production of chocolate products, Sollich (Germany) – production of roasted confectionery products, Chocotech (Germany) – production of “FROZENSHELL” chocolate products, Hansel Processing (Germany) – production of in-line caramel with and without filling, Aasted (Denmark) – production of extruded confectionery products, Buhler (Switzerland) – production of chocolate masses according to Swiss technologies, HAAS (Austria) – production of wafer crackers, Polin (Italy) – production of deposited biscuits, Polin (Italy) – production of sugar biscuits.
